 Primarily conduct Neuropsychological Evaluations. Also manage a small therapy caseload (~6 patients per week) and offer therapeutic supervised visitation. *Operated under the supervision of neuropsychologist, Dr. James R. Harrison, Ph.D.*
- University of the Cumberland's Psychological Services Clinic
 - **Clinical Psychology Rotation**
August 2015 – August 2016
 Mental Health Clinic treating individuals, families, and groups. Offered both psychotherapy and psychological testing to the community. Common presentations: depression, addiction, bipolar, paranoia, anxiety/phobias, anger, marriage/family, & grief. *Operated under the supervision of clinical and counseling psychologist, Dr. Christen T. Logue, Ph.D.*
- Gallatin County Public School System
 - **School Psychology Rotation**
January 2016 – May 2016
 Kentucky Public School in an area of low SES. Treated mostly elementary age, but some middle- and high-school students as well. Adjustment disorders, ADHD, relational, eating disorders, and anger. *Operated under the supervision of clinical psychologist, Dr. R. Douglas Olds, Psy.D.*
- Center for the Study of Race, Gender, and Culture
 - **Research Assistant**
August 2015 – April 2017
 Center focused on the effects of gender & social media within the Appalachian population of Kentucky. *Operated under the research supervision of Dr. Tammy Hatfield, Psy.D.*
- YMCA After-School Mental Wellness Program
 - **Psychology Program Volunteer**
October 2015 – May 2016
 One of four clinicians offering a program to children/adolescents on coping strategies and accepting differences (gender, SES, bullying, disability, confidence, bystander effect, etc.).

CORPORATE & BUSINESS EXPERIENCE

- **Managing Partner | Cooper, Shelton, and Associates**

January 2021 - Current

Managing and named partner for national forensic psychology and dispute resolution firm. Firm currently offers expert evaluation and testimony, trial consulting, jury consulting, witness preparation, critical case reviews, psycho-legal consultation, civil and family mediation, and civil and family arbitration. The firm currently services 16 states and is available in other states through reciprocity.

- **Equity Partner | Pro Shipping Experts, Inc.**

July 2012 - Jan 2017

National automobile shipping brokerage. Oversee decisions that involve legal, contractual, financial complications beyond the day-to-day running of the business. Not involved on a daily basis after about the second year. *(Sold financial stake/interest in the company in 2017.)*

- **District Sales Manager | Compudata Products Inc.**

February 2008 – August 2009

Managed territories in Lewisville and far North Dallas. Primary wholesale products were promotional and marketing services, office machinery, paper goods, chemicals, and supplies. Maintain high sales quotas and increase margin, prospect clients, manage expense accounts, schmooze higher-end clients.

- **National Director of Sales | The Beauchamp Collection**

January 2007 – February 2008

Managed sales in Dallas, Atlanta, New York, LA, Chicago, and Seattle. Was primary liaison to Mexico, New Zealand, and Canada. Coordinated sales, training, and product development to wholesale firms in all locations. On-sight coaching & training at all locations except overseas. 50+ total sales reps at all locations. Managed NYC/Atlanta shows at least 2x per year. All others were site-visited only once a year.

- **Regional Sales Manager | TransTech Merchant Group**

January 2006 – July 2006

Managed territories in Texas, Missouri, New York, New Jersey, Massachusetts, and Pennsylvania. Between 10-15 Sales reps on my staff in each of those states. Primary products included electronic payments systems. Responsible for hiring, training, payroll, compliance, training, occasional termination, training, training, and more training.

- **Account Sales Manager | Global Merchant Group**

August 2005 – January 2006

Managed territories in Dallas, Plano, Frisco, and Lewisville. Same as above, but reported to the Regional Sales Manager. All face-to-face b2b sales. Highest producing Sales Manager on record before the company went liquid. (Immediately hired by competitor—TransTech, above)

- **Wholesale Mortgage Administrator | Bank of America Corporation**

August 2003 – August 2005

Corporate wholesale mortgages department; worked with sales, marketing, and underwriting.

Summary

Passionate and motivated Biology Teacher looking for a part-time position to supplement income.

Experience

Greenville ISD - Biology Teacher - On-Level / Honors / College Biology

Greenville, High School, Texas / Paris Junior College

07/2022 - Present

- Adapt teaching methods and instructional strategies to promote learning in students of differing skill levels.
- Monitored student performance, offering constructive feedback and additional aid to struggling students.
- Met with parents and guardians to discuss student progress and areas for improvement.
- Delivered clear, informative lectures on subject matter framed to meet state standards integrating technology and hands-on experimentation.
- Devised lesson plans aligned with curriculum and met varying student needs.

Life Science Teacher/Girls Athletic Coach

Multiple DFW School Districts

2017 - 2021

- Motivated and challenged athletes to achieve maximum potential in sports and to stretch beyond easy accomplishments.
- Expected strong academic achievement among coached athletes and enforced academic eligibility standards.
- Adapted teaching methods and instructional strategies to promote learning in students of differing skill levels.
- Monitored student performance, offering constructive feedback and additional aid to struggling students.
- Met with parents and guardians to discuss student progress and areas for improvement.
- Delivered clear, informative lectures on subject matter framed to meet state standards integrating technology and hands-on experimentation.
- Devised lesson plans aligned with curriculum and met varying student needs.

- Communicated rules and expectations to student athletes and performed necessary corrective actions.
- Assessed player abilities and assigned positions according to individual strengths

Administrative Consultant/ Office Administrator/ Financial Manager/ Digital Marketing

Integrated Control Systems, Inc.

11/2007 - 11/2016

- Conduct extensive research in order to develop and implement innovative logistics and staffing solutions for a global financial services startup company.
- Directly oversaw a variety of daily office administration tasks, ensuring the office was always working at top productivity
- Served as an accountant/bookkeeper posting all expenses, payroll, accounts payable, accounts receivable, handling bank deposits and reconciling all quarterly reports.
- Provided exceptional customer service in order to increase customer retention and loyalty.
- Worked all facets of digital marketing in several different industries
- Consistently praised for the quality and timeliness of reports, attention to detail, exemplary customer service delivery and team-player attitude.
- Deliver excellent support skills to clients/customers and strictly adhere to all company policies and procedures.
- Provide outstanding and professional client/customer support, receiving high satisfaction ratings.
- Collaborate with peers on multiple, complex administrative projects to exceed all expectations and deliver projects on time.

Arkansas State University, State University - Research Assistant

State University, Arkansas

01/2005 - 07/2006

- Extensive grant writing.
- Organized and conducted meticulous research on marine mammal populations (humpback & pilot whales) having endured and continuing to endure so called "aboriginal whaling status from the IWC whaling. My research also investigated the environmental history of whaling in St. Vincent and the Grenadines and found the practice was not aboriginal in any way.
- Assisted in content development and taught lab courses in biological science including Ecology, Ethology, Genetics, Embryology, Microbiology, Marine Mammal Biology and Botany to both graduate and undergraduate students using interactive dynamic lesson plans.
- Prepared and produced weekly research reports and bibliographies for review by my graduate advisors.
- Prepared reports, presentations and articles using Microsoft Word and PowerPoint.
- Created graphs, spreadsheets and presentation slides to help researchers present findings.
- Identified and compiled lists of potential research subjects in accordance with study objectives and parameters.
- Assisted with preparing presentation materials before major meetings and reviews.
- Assisted scientists in laboratory experiments to confirm research hypotheses.

- Presented experimental findings in presentations with graphs, charts and other visual aids.
- Compiled field observations and converted into data to prepare for experiments and tests.
- Produced comprehensive research questions and potential hypotheses.
- Conducted surveys, interviews and experimental research to facilitate data analysis.
- Traveled to field sites to collect and record data and samples as appropriate to specific objectives of study.
- Conducted qualitative and quantitative analysis on assigned data.
- Meticulously edited and critiqued all manuscripts to prepare them for release.
- Published 13 articles, comments, book entries, and posters.

Activities And Honors

Doctoral Fellowship, Arkansas State University

Original Research Grants & Travel Grants for Graduate Thesis Research, Arkansas State University

Honorable Mention from National Science Foundation for Graduate Fellowship

Letter of Commendation for Outstanding Development & Implementation of Behavioral Management Program
