### **Jewelry**

The Texas Institute of Jewelry Technology at Paris Junior College has enjoyed a reputation for teaching excellence since it opened in 1942. This highly acclaimed division of PJC is well known for a diverse student body that includes students from around the world.

While TIJT prides itself on the state-of the-art instruction, the Jewelry program is also well known for teaching time honored techniques such as bead-set/bright cut and pave. TIJT can help the student gain the competitive edge in the dynamic field of Jewelry Technology, as well as prepare them for an exciting career by working at personalized work stations supervised by instructors who are professional jewelers.

Jewelry Technology is a four-semester program starting each fall and spring. Students can earn certificates or an AAS degree in Jewelry Technology. Program content includes the optimal use of tools and equipment, hand finishing and machine polishing, forming and fabrication, jewelry repair, wax carving, casting, stone setting round and fancy-cut stones, and working with gold and platinum.

At the end of the program, students will take the "Jewelers of America" certification exam for bench jewelers.

Prospective students are encouraged to tour the PJC campus and the TIJT division and/or request complete information and cost packet. You may schedule a tour or request an information packet by calling 903.782.0318.

To receive a certificate in this program, a grade of "C" or better must be maintained in all courses.

## Associate of Applied Science in Jewelry Technology (60 Semester Credit Hours)

First Semester - 15 SCH	Second Semester - 15 SCH
PSYC 1300 HRGY 1301 HRGY 1302 HRGY 1303	COSC 1301 HRGY 1309 HRGY 2333 HRGY 1349
HRGY 1348	HRGY 1341

Third Semester - 15 SCH	Fourth Semester - 15 SCH
ENGL 1301	MATH 1332
HRGY 1342	ARTS 1301
HRGY 1343	HRGY 2336
HRGY 1344	HRGY 2337
HRGY 2335	HRGY 2338
HRGY 1343 HRGY 1344	HRGY 2336 HRGY 2337

CERTIFICATE IN IEWEI	LRY TECHNOLOGY (45 Semester Credit Hours)
First Semester (12 SCH)	ERI TECHNOLOGI (4) Semester Clean Hours)
` ,	Jewelry Techniques I
