INTRODUCTION

The control of traffic on campus is a necessary part of the efficient operation of the college.

All members of the college community are urged to familiarize themselves with these regulations and cooperate in respecting them.

Section 1: Authority

Section 2: Laws

State laws, city ordinances and college rules and regulations (adopted by the Board of Regents) are applicable and may be enforced on the college premises and referrals made to the appropriate court of jurisdiction.

Section 3: Vehicle Registration

SECTION A. All vehicles, as defined by state law, operated on college premises must be registered with the Paris Junior College Police Department and the permit must be properly displayed.

SECTION B. The person who owns or registers a vehicle on campus is responsible for that vehicle and all parking violation citations issued thereto. If the person operating the vehicle is other than the registrant when the violation is committed, both the driver and the registrant may be cited.

SECTION C. The operation of motor vehicles on the premises of PJC will be restricted to campus drives and parking lots unless special permission is granted by the Paris Junior College Police Department for a specific purpose.

SECTION D. Citations received for any violation stated herein could result in the loss of driving privileges on the premises of PJC unless the fines are paid within ten days excluding holidays, weekends and appeal processes.

SECTION F. Vehicles may be registered during regular class registration or at the Paris Junior College Police Department.
**Section 4: Types of Permits**

SECTION A. Yellow permits are issued to full time faculty and staff members for their use exclusively.

SECTION B. Green permits are issued to students not listed in Section A, and C.

SECTION C. Red permits are issued to “Disabled persons”. (See Section 8, Part B.)

SECTION D. All the above permits become void on the effective date of any status change of the individual, provided the new status is not eligible for the original type permit issue.

**Section Five: Visitor’s Permits**

A visitor shall be defined as one who has no affiliation, association or relationship with PJC as a student, faculty member, or employee, or as determined by the Chief of Campus Police.

SECTION A. Visitors are required to register the motor vehicle that is to be operated on the premises of PJC. Visitors must obey traffic and parking regulations as a condition to remain on the premises of PJC.

**Section Six: Registration Fees**

There is no charge for the registration of a motor vehicle.

There is no charge for the temporary motor vehicle permit. The temporary permits expire at 12 midnight on the date of expiration stated on the permit.

SECTION D. Only one disabled motor vehicle registration permit may be issued for each disabled person.

The mere fact that citations are not issued for any offense does not indicate that the regulations have been modified excluding that offense.
