## Camp Information:

The Coding Camp is a one-week, no cost, day camp for students entering 6<sup>th</sup>- 8<sup>th</sup> grades during the 2023-2024 school year. Coding Camp is designed to provide computer coding/programming hands-on experiences that provide challenging and innovative concepts in learning, problem solving and analytical skills while fostering an interest in computer coding/programming. Prioritization of enrollment will be for foster youth, students with disabilities, students from low income families, and students from populations underserved in STEM.

The camp will be held on Monday through Friday. Students may be dropped off at 8:45 a.m. and picked up by 3:45 p.m. Camp hours are from 9:00 a.m. to 3:30 p.m.

### Application Process:

- Parent/Guardian and student completes requested information on the attached Student Application Form
- Parent/Guardian completes Permission, Medical & Media Release Form.

Please return the completed Student Application Form and Medical Information Form per previous instructions by the deadline of ten (10) days before the first camp date for the chosen session. If all requested documents are not received by the deadline date, the application will not be considered. You will be notified if your child has been selected.

If you have questions or need additional information, please contact 903.782.0447 or [mpotter@parisjc.edu](mailto:mpotter@parisjc.edu).

*Please be advised that submitting an application to the camp **DOES NOT** guarantee acceptance.*
