### Marketable Skills
- **Active Listening** - giving full attention to what other people are saying, taking time to understand points being made, asking questions as appropriate, and not interrupting at inappropriate times.
- **Computer Skills** - ability to effectively use word processing software, information databases, and third-party apps.
- **Critical Thinking** - ability to use historical thinking skills to identify the strengths and weaknesses of arguments, and to provide alternative viewpoints, approaches, conclusions, and solutions to problems encountered.
- **Inductive Reasoning** - the ability to make evidence-driven judgments to synthesize multiple pieces of information, and able to form general rules, identify bias or subjectivity, establish causality, and make conclusions about complex topics, particularly as it relates to historical documents.
- **Communication** - ability to communicate ideas effective through written, oral, and visual delivery modes.

### Program Outcomes
- Create an argument through the use of historical evidence.
- Analyze and interpret primary and secondary sources.
- Analyze the effects of historical, social, political, economic, cultural, and global forces on U.S. and world history.
