Critical Thinking Skills: Creative thinking, innovation, inquiry, and analysis, evaluation, and synthesis of information, using technology as appropriate.
Communication Skills: Effective development, interpretation, and expression of ideas through written, oral, and visual communication.
Empirical and Quantitative Skills: Manipulation and analysis of numerical data or observable facts resulting in informed conclusions.
Teamwork: Ability to be flexible and to consider different points of view and to work effectively with others, taking the initiative when appropriate, to support a shared purpose or goal.
Social Responsibility: Intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities.
Personal Responsibility: A strong work ethic and the ability to connect choices, actions, and consequences to ethical decision-making.

Marketing Skills

Program Outcomes
- Demonstrate critical thinking skills which indicate that the student can see the intellectual connections between different disciplinary fields.
- Demonstrate knowledge of the ethical challenges encountered by practitioners of different intellectual disciplines.
- Demonstrate knowledge of civic responsibility and the characteristics of regional, national, and global communities.

Transfer Path Requirements
- Students should refer to the catalog of the institution to which they plan to transfer for degree requirements.

For Texas A&M University - Commerce and Texas A&M University - Texarkana:
