FOCUS on SUCCESS
with 8-week classes at Paris Junior College

PJC has empowered students by shortening most courses from 16 to eight weeks, helping students by allowing them to focus on two or three classes at a time, making them easier to handle; helping them maintain enthusiasm; and giving students a quality, not quantity, course experience. To qualify for financial aid and scholarships, students will register for both Fall 8-Week Terms 1 and 2 at the same time. Students will need to buy all books and course materials at the beginning of the fall semester for both 8-week terms. Payment plans may be set up at that time.

New Student Orientation is Mandatory
All new students must enroll for orientation. Orientation is available online and must be completed prior to enrolling for classes.

Getting a Bacterial Meningitis A Shot
All incoming freshmen, transfer students and returning students not continuously enrolled beginning with the fall 2011 semester need to show proof of immunization against bacterial meningitis. The law does not apply to students age 22 and over or those only in online classes that don't require proctored testing at PJC. The meningitis vaccination or booster must have been administered within the last five years and before the start of the semester. Contact the Office of Admissions and Records for more information.

Steps to sign up for classes at PJC
- New students must first be admitted to PJC (call Admissions at 903-782-0425).
- Returning students not enrolled in the previous term must complete new Admissions paperwork: at www.parisjc.edu on the Admissions Page or MyPJC, or call the Office of Admissions and Records.
- Take a Placement Test (see page 3 for information on testing).
- New students must enroll for orientation. The list of orientation classes is available at the beginning of each class section for Paris, Greenville, Sulphur Springs, or online.
- Register during early registration if possible.
- Request a Degree Plan when you register.
- Apply for financial aid at www.fafsa.gov.
- Payment Plans are available.

Early Registration

Early registration for the Fall Semester began April 15, 2024. All students have the opportunity to register online or through a Student Success Coach during early/online registration in accordance with the following guidelines:

4. NEW STUDENTS who have been admitted to PJC can contact the Advising & Counseling Office or one of the Admissions Counselors/Recruiters in the Admissions Office for assistance with course placement. Students wanting to attend either the Greenville Center or the Sulphur Springs Center may contact a Student Success Coach at that location for assistance.

PAYMENT IS DUE UPON REGISTRATION. Students who make payment during or after late registration may be charged a late fee. Payment plans are available and tuition payments are accepted at all three locations. Learn more by going to www.parisjc.edu, selecting MyPJC at the top, then scrolling down to Payment Plans.

Tuition and Fees

Tuition is charged according to your residency. In-district residents are those who live within the Paris Junior College taxing district and pay taxes to PJC, while out-of-district students are those who reside outside the PJC taxing district. Out-of-state tuition is charged to those residing outside the state. Oklahoma residents are charged out-of-district, not out-of-state tuition. International student tuition applies to students who are not United States citizens and are, therefore, not permanent residents. Students may be charged a higher fee for courses attempted a third or more times.

Fall 2024 Testing Information

Note: Testing hours shown are those in effect at the time of printing. For the most up-to-date information, check the Testing Center web page at www.parisjc.edu.

TSIA2 Testing

The Texas Success Initiative 2.0 (TSIA2), mandated by state law, requires students whose TAKS/STAAR/SAT/ACT scores do not achieve exempt status, or who are not otherwise exempt, to be assessed in reading, writing and math skills prior to enrolling in any college-level coursework. The state approved test administered at Paris Junior College is the TSIA2.

The testing schedule is listed below. The TSIA2 is an adaptive computer placement test that requires a Pre-Assessment Activity prior to testing. The Pre-Assessment Activity is accessed online by going to www.parisjc.edu, then click on A-Z Links, then select Texas Success Initiative 2.0 (TSIA2).

The fee for the TSIA2 is $25 for the initial test, and $15 to retest. The test is untimed, and depending on how many sections of the test a student is required to take, the TSIA2 may take between two and five hours.

Call to Register

Students enrolling at the Paris campus should call 903-782-0446 or go to the Testing Center located in the Alford Center to reserve a seat for the TSIA2. Students enrolling at the Greenville campus should call 903-454-9333, and students enrolling at the Sulphur Springs campus should call 903-885-1232 to reserve a seat for the TSIA2. For TSIA2 testing, prior registration is not required during the regular and late registration period.

ID/Calculator

You must take acceptable forms of photographic identification to the test, such as a valid driver’s license, state ID card, passport, school ID, etc. The TSIA2 has a computer-based calculator and you may not bring one to the test.

TSIA2 Testing Dates

The cost of the TSIA2 is $25. Retests are $15 per session. On test date, applicants should bring a photo ID and a testing ticket given to them by the Admissions or Advising & Counseling offices after completing the Pre-Assessment Activity.

Paris campus applicants register in the Testing Center, located in the Alford Center, then pay at the Business Office located in the Administration Building or online at https://mypjc.parisjc.edu/ICS/Testing_Center/. Greenville and Sulphur Springs applicants should contact the appropriate Center to make reservations. Pre-registration is not required during regular and late registration. Following is the TSIA2 testing schedule at all campuses.

Meaning of Course Abbreviations in this Schedule

Subject areas are listed alphabetically and individual courses are listed by course title. Day classes include those offered on the regular Monday and Wednesday or Tuesday and Thursday schedule and those taught on Fridays. Night classes are taught after 4 p.m. This is a sample course listing with explanations of what everything means:

DRAM-1121 .100 THEATER PRACTICUM 2:25PM 3:40PM TR AD 160 WALKER

DRAM 1121 100 (department/course number/section number), THEATER PRACTICUM (course title), 2:25 PM 3:40 PM (time the class meets), AD 160 (location where class meets), TR (days the class meets, in this case, Tuesday and Thursday), WALKER (name of instructor). In the course number, a 1 or 2 indicates freshman or sophomore course. The second number indicates credit hours - in this example, the 1 means one credit hour. For English 1301, the 3 indicates three credit hours. A credit hour is a unit of measure representing an hour (50 minutes) or instruction over a 16-week period in a semester system. In the section number, the 1 of the .100, indicates location or type of class; here it means Paris. The suffix - the 00 of the .100, indicates the type of course - for instance, whether it is a face-to-face course, online, 16-week semester or 8-week flex, or mini-term, or dual credit.

Get Emergency Alerts! Don't Miss Campus Closings

In the event of an emergency or severe weather, you will receive an emergency alert sent by text message or email. This is a free service provided by PJC, though normal message fees may apply. To receive text messages to your cell phone, your cell phone must have text messaging capabilities. Notifications are dependent upon external providers and PJC cannot guarantee notifications will be received by the intended recipient. To add your email address or a different cell phone number, go to www.parisjc.edu, select the “Current Students” link, look under “Life on Campus” and select the “Dragon Emergency Alert System Signup” link. Follow the instructions.

Dragonmail: campus email for students

All PJC students have a dedicated email address that is the primary method of contact between students and various PJC administrative offices. All PJC students are encouraged to log into their new email account as soon as possible to activate it. Once your DragonMail account is activated, you can forward it to another email account by following the Gmail instructions. A student email address is in the form of: username1234@dragons.parisjc.edu. Make sure the @dragons.parisjc.edu is included in the Username. Paris Junior College will create the email account for the student. The student DOES NOT need to create an account.

If you already have a Gmail account that opens, be sure to click on “Sign in with a different account,” and then use your DragonMail username and password.

There are two sets of instructions for creating the proper username, depending on whether your PJC Student ID number is six or nine digits long. To learn more, go to www.parisjc.edu. Select “Current Students,” then “DragonMail.” DragonMail is hosted by Google Mail. Students will be given directions to access their email when they register. If you require assistance, contact the Help Desk at 903-782-0496, helpdesk@parisjc.edu.
