

## Fall 2020 Virtual Commencement Information

**Date: Friday, December 18, 2020**

### **Cap and Gowns- PICKUP ONLY**

Caps and gowns are pre-ordered in a range of heights and sizes and are yours to keep after the ceremony. Paris Junior College is pleased to provide the academic apparel at no cost to the student. Caps and gowns will be distributed according to the following schedule. If this schedule is not convenient for you, please designate someone else to pick up your regalia.

**Greenville Center Lobby:** November 10<sup>th</sup> at 8 am- 6 pm

**Sulphur Springs Center Lobby:** November 11<sup>th</sup> at 8 am – 6 pm

**Paris Campus Administration Building Rm 149:** November 12<sup>th</sup> 8 am – 6 pm

The ceremony this year will be held virtually. During the ceremony, we will have photos of graduates with his/her name displayed. In order to have your photograph in the ceremony we will need them submitted **by midnight on December 4th.**

Take a photograph of you in your cap and gown.

Suggested attire for Men: light-colored shirt and tie and dark slacks

Suggested attire for Women: dresses or dark colored slacks

Email your photo to [2020grad@parisjc.edu](mailto:2020grad@parisjc.edu) with your name and a good contact number in case we have questions.

### **Phi Theta Kappa Members**

PTK members are recognized by wearing a gold tassel and monogrammed stole with their cap and gown. This academic regalia must be purchased separately. Students should order online at [www.ptk.org](http://www.ptk.org) and have items shipped to their home.

# Tips for Good Photos

**Do's:** pick a nice background, take photo no further than 10 feet away, and make sure the lighting is good. If using a smartphone, set the photo resolution as high as possible before taking it, and when sending the photo, pick the largest size to send.

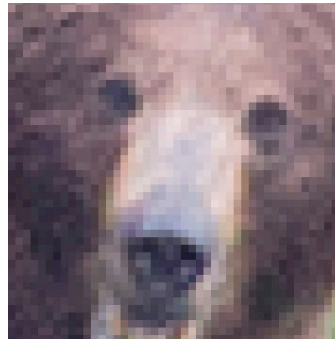

**Email** your photo to [2020grad@parisjc.edu](mailto:2020grad@parisjc.edu) by **Dec. 4, 2020!**

**Do Not's:** place the subject in front of the light, don't take a small size photo because it will turn out pixelated (below center) and make sure the subject and photographer hold still so the picture isn't blurry.

**Backlit: Can't see face**

**Small Size Photo: pixelated/jagged**

**Subject or Photographer moved: blurry output**
