Kids College

Course Descriptions

Cooks 'N Books

Students enjoy reading favorite storybooks and creating fun snacks that relate to the stories. Students sample their creations. New books are used each session.

Cooking Made Easy!

Have you ever wanted to make a snack or meal? Cooking can be easy when you know that right tricks and techniques. Come learn to make fun and delicious meals and snacks.

Creating with Ceramics

Learn how to mix clay to pour in to a ceramic mold of your choice. Once the clay is hardened you will learn the proper way to remove your creation from the mold and then sand it to make it smooth before applying your decorative touch with glaze and/or paints.

First Aid: What's the BIG Deal?

Have you ever seen someone fall and hurt their leg? Or perhaps you know someone who's been very ill? Have you ever been near an accident? Imagine being able to help in each of these situations—that's what first aid is all about. You don't need to have special items or a first aid kit to give first aid. The most important thing is to know the simple steps to follow in different situations. You can become a SAFETY HERO!

Games!

Students will gain the opportunity to learn new and old games. Come and experience a time of brainstorming and team building.

Give Me a "C" Give Me a "HEER"

Do you like to cheer and learn dance routines? Join the Paris Junior College cheerleaders and learn the technique of cheerleading, jumps, and dance. Campers should wear shorts, t-shirt and tennis shoes.

Hoops!

Students will learn an overview of Basketball. This will include a brief history of each game, rules, methods, and proper form and techniques of various skills required through demonstration and engaging activities. Students will be properly equipped to put this knowledge into use immediately and get active this summer!

Jukes!

Students will learn an overview of Football. This will include a brief history of each game, rules, methods, and proper form and techniques of various skills required through demonstration and engaging activities. Students will be properly equipped to put this knowledge into use immediately and get active this summer!

Fun with Spanish

¡Vamos a gozar este verano! Let's have fun this summer! Learn Spanish while having FUN! Learn Mexican Caribbean songs; Traditions; Dine on Latin cuisine; Crafts and have FUN, FUN, FUN while learning Spanish.

Kids College

Course Descriptions

Martial Arts

Everyone should understand, at the very least, the most basic principles of self-defense. More than just a means of protecting oneself, self-defense classes provide a well-rounded exercise regimen and can instill in you with a strong sense of self-confidence. This self-confidence will help you conquer the skills needed for Bully Prevention.

Jewelry Creations

Each day students will be introduced to a different technique used to create Jewelry: Stamped keychains or necklaces; Create a unique Amulet and learn about beading.

Junk Drawer Robotics

Students are challenged to build robots from everyday items without the use of a computer. Learn about pneumatics, arm designs and three-dimensional space. Students will showcase their creations at the Parent Preview.

Paper Art 'N Books

Students enjoy reading storybook or Poem and creating fun Art to relate the story or feelings of the text. Paper Art will give the students the opportunity to explore new techniques and art expression.

Reporting: Live from the Scene

You are a young reporter at The Bat: Kids Edition. The editor just gave you a new assignment: Get down to Kids College and find out what CRAZY things those kids are doing. The editor wants AMAZING articles with lots of pictures. Are you up to the assignment? Learn how Journalists use the 5 Ws to gather facts and write articles.

Secret Agent

Secret Agents needed . . . Only the best will do! Agents will be competing against and training along with fellow recruits, testing their special agent skills, breaking codes and much more.

CSI : Paris!

Kids Camp participants will gain a broad in-depth introduction to the field of criminal investigation. Students will learn the many steps of crime scene investigation from the first responders, the documentation of the crime scene, the drawing and measurement, the collection of fingerprints, and any related evidence. After this course, the student will be able to identify many of the processes that a police officer must complete to successfully investigate crimes.

Trivia

How are your Trivia Skills? Come test your skills, while learning new and interesting facts. Come and sharpen your problem-solving skills with trivia.

Kids College

Course Descriptions

World Wildlife Adventure!

Learn about many really cool animals from all over the world! We'll make a wildlife photo book, do some awesome artwork, and even get to experience some REAL, and ALIVE animals!

"Yes You CANvas!"

Starting with a blank canvas, students will be guided step-by-step through creating a masterpiece. Get ready, set, PAINT! Please bring an oversized shirt to be used as a paint smock.

You CAN Sew

Learning to sew can be fun and very rewarding. This class will teach you basic techniques on threading a needle, making a knot, sewing straight stitches, sewing on buttons and more. You will complete several take home projects while having fun.
