

Verification Worksheet

Dependent Student

2026-2027

Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA form. To verify that you provided correct information, the financial aid administration at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected.

You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator as soon as possible so that your financial aid will not be delayed.
